Famous Scientist Wanted Poster

Name: ____________________________ Due ______

To meet basic requirements, your poster **must**:

1. be on an 8 ½ x 11 sheet of paper.
2. have the First, Middle and Last name of your scientist.
3. have a picture of your scientist.
4. their birthday.
5. have 1 sentence of why they are famous.
6. your name on the bottom right corner.

To meet expectations, you must **add**:

1. What country were they born in?
2. Where did they do their work?
3. When did they die? Or, if still alive, how old are they now?
4. What are their accomplishments? (in your own words, using 3-5 sentences)

To challenge yourself, **add 5 of the following options**:

1. A quote by your scientist.
2. Place your poster on a piece of construction paper to make it sturdy.
3. Additional pictures of your scientist.
4. A picture of what they worked on, *ex*: if he invented the telephone, show a phone.
5. Where they went to school.
6. If they had any other jobs.
7. Family information, *ex*: spouse, parents, kids, brothers, sisters, etc.
8. What else was happening in history when this scientist became famous?
9. Was there another scientist that worked with him/her?
10. Are there any museums or other places named after your scientist? Where is it?

Your grade will also be determined by:

- Overall presentation
- Spelling, grammar and neatness
- Accuracy
- Handed in on time
- Creativity
- Completeness
